

Appl. No. : 10/792,291  
Filed : March 2, 2004

#### REMARKS

Applicants have elected the claims of Group IV (claims 15-21) without traverse for further prosecution on the merits. Claims 1-8 and 22-54 are withdrawn without prejudice or disclaimer. Claims 9-14 are canceled without prejudice or disclaimer. Applicants reserve the right to pursue the subject matter of any or all of the canceled and/or withdrawn claims in one or more continuing applications.

New claims 55-66 are added. Support for each of these new claims can be found in the claims and specification as originally filed. For example, support for claims 55-66 can be found at pages 27-33, Example 1, Figures 19-22, Figure 25 and elsewhere throughout the specification as filed. Accordingly, no new matter is added to the instant application.

Applicants note that withdrawn claims 1-8 and 22-54 are methods of using the elected compositions of claim Group IV (claims 15-21). Each of the method claims either depend from independent claim 15 or incorporate all of the elements of claim 15. Accordingly, Applicants request that the Examiner rejoin these withdrawn method claims when claim 15 is found to be allowable.

#### CONCLUSION

Applicants believe that all outstanding issues in this case have been resolved and that the present claims are in condition for allowance. Nevertheless, if any undeveloped issues remain or if any issues require clarification, the Examiner is invited to contact the undersigned at the telephone number provided below in order to expedite the resolution of such issues.
